

Appartement te koop in Dénia, Dénia

590.000 €

Referentie: RS10175 Slaapkamers: 4 Badkamers: 2 Perceelgrootte: 160m²

Costa Blanca North, Dénia

Experience the embodiment of coastal living at this exceptional apartment complex in Denia. Just a short walk from the harbor, enchanting beaches, and the vibrant heart of Denia, this distinctive and innovative development is currently underway.~~Honoring the heritage of the site, the complex is thoughtfully designed to preserve mature palm trees, authentic stone walls, and the original finca, which is set to be transformed into a stunning common area with a state-of-the-art gym. Enhancing the appeal is a saltwater pool, offering the perfect aquatic retreat. For those on the go, secure bike storage is provided, ensuring easy access to nearby destinations.~~Each meticulously crafted unit includes its own secure parking space, providing convenience and peace of mind. Integrated storage solutions optimize space and organization. Say goodbye to bulky radiators—underfloor heating ensures a consistent indoor temperature and frees your walls from clutter. These homes meet A-rated energy efficiency standards, guaranteeing lower energy consumption and reduced monthly bills.~~The essence of Mediterranean lifestyle is embedded in every aspect of these homes. From the comfort of your own residence, enjoy sun-drenched days and the soothing coastal atmosphere. With limited units still available, seize the opportunity to be part of this captivating haven. Contact us today for the latest updates, detailed plans, or a personal tour.
