Renovation project: villa for sale in Montemar, Benissa From traditional to Ibiza style with character, comfort and modern living pleasure. That is the aim of this new renovation project in Benissa. A property where tranquillity, comfort and luxury come together. Located in the quiet and green district of Montemar, this villa is in a central location between the charming coastal town of Moraira and the more authentic Benissa - both just a 10-minute drive away. It is a full renovation project with an emphasis on detail and quality. Inside, you will find a generous open-plan living space with a natural transition to the luxurious, fitted kitchen. Thanks to its south-east exposure, you will enjoy plenty of natural light and pleasant evening sun inside and out. The villa has three spacious bedrooms, each with its own en-suite bathroom and built-in wardrobes. From the bedrooms, you have views of the surrounding greenery - an oasis of tranquillity. The outdoor space is designed for optimal outdoor living. The lovely landscaped garden with Mediterranean plants sets the scene for the beautiful swimming pool. There is a fully equipped outdoor kitchen and several seating areas where you can retreat for a while or just spend time in good company incl. a roof terrace. There will be a pre-installation for solar panels, air conditioning with heat pump, double glazing and a 200-litre electric boiler. An alarm system will also be provided. In addition, the villa has a spacious driveway for two cars and a separate laundry and storage room. If desired, a study can be made to offer a furniture and decoration pack according to the client's taste. Just 3 km away is the beautiful bay of Baladrar, and the sandy beach of Moraira can also be reached in 10 minutes. For your shopping, you can reach a small supermarket in 4 minutes; larger supermarkets are 10 minutes away in Benissa. This is just another fun project that we highly recommend.
