Costa Blanca North, Javea

For sale in Jávea – New Residential Penthouses Available 2 modern, 3-bedroom penthouses in Jávea, each designed for those who value comfort, privacy, and the Mediterranean lifestyle. Every unit offers 2 bathrooms and a private solarium of approximately 130m², perfect for enjoying the sun, outdoor living, and panoramic views in a tranquil residential environment. The complex is finished with elegant details such as handcrafted dry-stone walls, landscaped gardens with native plants, and communal spaces designed to create a sense of serenity. Families will also benefit from dedicated play areas for children. In the underground level you'll find storage rooms and private parking spaces, all equipped with electric vehicle charging points. Thanks to its unbeatable location, you can walk to Jávea's main amenities: supermarkets (150m), schools (200m), pharmacies (600m), restaurants and bars (700m), and essential services like the town hall and police station (650m). Estimated completion: summer 2026. Key Features: 2 exclusive penthouses available Private solariums of approx. 130m² Elegant communal gardens andamp; children's play area Parking with electric vehicle charging points Prime location between historic center and port Walking distance to supermarkets, schools, and restaurants Delivery scheduled for summer 2026 These penthouses in Jávea offer the perfect mix of modern living, convenience, and authentic Mediterranean charm.
