Description of the property

Through a characteristic wooden gate, we enter the spacious pool terrace with a good-sized swimming pool. Here you will also find a cozy lounge area with a shade cloth so you can relax in peace, either in the shade or in the sun. Due to its location, you enjoy complete privacy around the pool terrace. Upon entering the ground floor villa, we arrive in the living-dining room, equipped with recently replaced air conditioning and heating via radiators in each room. Behind it is the open kitchen, equipped with all necessary appliances. On the left are the two bedrooms, which share a modern bathroom with shower, sink, and toilet. The bedrooms feature characteristic elements such as wooden castellano doors, built-in wardrobes, and wooden shutters on the windows.
