Exclusive Luxury Villa in La Marina – Expansive Plot & Premium Finishes




Villa Anisa represents the pinnacle of contemporary Mediterranean luxury—an architecturally refined residence designed for buyers who value space, privacy, and uncompromising quality. Set within a prestigious residential enclave in La Marina, this exceptional villa combines elegant design with advanced comfort features, all within easy reach of beaches, amenities, and only 30 minutes from Alicante Airport.




Occupying an impressive 935 m² private plot, the property offers 305 m² of meticulously crafted interior space, delivering a rare sense of openness and exclusivity seldom found in modern new-build villas. Every element has been conceived to provide a turnkey luxury lifestyle while still allowing personalization to suit individual taste and interior vision.




Architectural Elegance & Interior Comfort




The villa features four generously proportioned bedrooms and four sophisticated bathrooms, complemented by expansive living areas filled with natural light and seamless transitions to outdoor terraces. Premium materials, refined textures, and carefully curated lighting elevate the atmosphere, creating a home that feels both contemporary and timeless.




A distinctive highlight is the private interior elevator, offering effortless access between floors—an exceptional feature that enhances both convenience and long-term accessibility. Underfloor heating, full air-conditioning, and automatic blinds ensure year-round comfort and energy efficiency.




Private Outdoor Sanctuary





The landscaped exterior has been designed as a tranquil retreat, anchored by a striking 40 m² private swimming pool and surrounded by manicured gardens and sun terraces ideal for entertaining or serene relaxation. A private automatic car gate, garage, and storage complete the sense of security and exclusivity.
