Villa "5 Elements" – A Private Masterpiece in Altea Hills



An Architectural Symphony in the Heart of the Costa Blanca



Designed by renowned architect Gilardi and refined in close collaboration with the owner, Villa 5 Elements is more than a home – it's a one-of-a-kind expression of artistry and intention. Nestled within the prestigious gated community of Altea Hills, this four-level residence embodies a harmonious blend of nature, design, and luxury.








Welcome to Elevated Living



Your journey begins on the top floor, where you're greeted by a generous entrance and private parking. Clean, contemporary lines introduce the home's sophisticated style. A floating staircase and private elevator guide you through the levels, each designed to surprise and delight.







Main Living Floor – Seamless Indoor-Outdoor Harmony




A state-of-the-art designer kitchen with a central peninsula flows into a refined dining space.



Floor-to-ceiling sliding glass walls disappear completely, creating an uninterrupted transition between the interior and expansive outdoor areas.




A full barbecue kitchen and al fresco dining zone offer the ultimate in outdoor entertaining.



The angular infinity pool, a true architectural centrepiece, overlooks panoramic sea views – completely secluded for privacy and serenity.



A glass-enclosed lounge, protected from wind and sun, offers an all-season space, while the stone garden feature brings natural texture indoors.



A second Bali-inspired lounge with hammock and canopy bed is framed by lush living walls, creating an exotic sanctuary.








Tranquil Bedroom Level – Space, Light & Elegance



Descending one level, you'll find:




Two expansive bedroom suites, each with bespoke wardrobes, elegant en-suite bathrooms, and access to private terraces with jaw-dropping sea and mountain vistas.



These suites reflect a rare luxury: true spaciousness in a world where bedrooms are too often compromised.









The Master Level – Privacy Perfected



The lowest floor is a sanctuary in itself:





A sprawling master suite with luxurious bathroom, direct access to a private jacuzzi, sauna, and a large lawned garden area – ideal for yoga, fitness, or peaceful contemplation.




A flexible atelier, currently a painting studio, can easily become a home office, guest suite, or gym.











The Garden – Mediterranean Abundance




Step into a mature, low-maintenance Mediterranean garden that offers:





Lemon, fig, avocado, and pomegranate trees, blending sustainability with sensory pleasure.




An automatic irrigation system ensures effortless upkeep, while the natural setting offers both privacy and well-being.

About Altea & Altea la Vella

Altea, often described as the "Santorini of Spain," is one of the Costa Blanca's most enchanting coastal towns. With its cobbled old town, whitewashed houses, and the iconic blue-domed church of Nuestra Señora del Consuelo, Altea blends timeless Mediterranean beauty with a vibrant cultural and culinary scene.

Just a few minutes inland lies Altea la Vella, a peaceful hillside village known for its charm, privacy, and lush green surroundings. It offers the perfect counterpoint to the buzz of the coast, making it ideal for discerning buyers seeking tranquility without isolation.

Together, Altea and Altea la Vella offer a lifestyle that combines nature, exclusivity, and convenience, making them one of the most coveted residential destinations in Spain.
